

Moving Forward...in Faith & Wisdom

As we continue to Move Forward in Faith & Wisdom at First Presbyterian Church, you will notice some changes beginning May 2, 2021.

- We continue to encourage **social distancing** between groups. In corporate worship, we encourage **3 feet** between groups. We have adjusted our rows of seating in King Hall to reflect this, and our ushers will continue to seat you in both the Sanctuary and King Hall.
- We continue to encourage folks to '**mask up**' as they enter the worship spaces and whenever standing to sing.
- We are fully re-opening our **restrooms** (stalls and sinks).
- We will resume using **hymnals** in the Sanctuary during corporate worship.
- We will continue to have **hand sanitizer** available throughout our campus.
- We will continue **sanitation** of worship, gathering spaces, and restrooms after each specific event.
- We will continue to use boxed/individually packaged **food** and bottled/canned drinks. Any folks serving food will wear masks and gloves and will individually plate food.
