

January Worship at First Presbyterian Church 2022:

Modified 1/4/22

As always, we will continue to evaluate our current context related to COVID concerns.

As we seek to provide a 'mask only' option for our members, we will be designating the Sanctuary at 11am as the 'mask only' worship space with a video feed of the 11 am service.

During the 9am worship service in the Sanctuary, the balcony will be seating for those preferring 'mask only.'

During the 11 am worship service, the track seating will be reserved for those wanting 'mask only' seating.

NOTE: For 'mask only seating,' everyone seated in that area will wear a mask during the entire service.

Seating on the main floors in the Sanctuary at 9am and King Hall at 11am will remain **open seating**—folks can wear masks or not wear masks—and there will be no social distancing.
